

## TECHNICAL FOLDER

## HEPAFIL MP13

### Specifications

|                    |                            |
|--------------------|----------------------------|
| <b>Code</b>        | MP13121203                 |
| <b>Name</b>        | MP13                       |
| <b>Description</b> | MINI PLEAT ABSOLUTE FILTER |

### Applications

Ventilation and conditioning in the electronics, pharmaceutical and photographic industry. Atmosphere control in hospitals, laboratories, clean rooms, processing data centres.

### Sizes

|            |            |    |
|------------|------------|----|
| dimensions | 305x305x78 | mm |
|------------|------------|----|

### Technical data

|                           |                                   |    |
|---------------------------|-----------------------------------|----|
| filter medium composition | glass microfiber                  |    |
| frame material            | MDF                               |    |
| separators                | thermoplastic                     |    |
| sealant                   | polyurethane                      |    |
| gasket                    | single piece polyurethane casting |    |
| regeneration              | no                                |    |
| max. working temperature  | 70                                | °C |
| max. working R.H.         | 90                                | %  |

### Funcional data

|                               |        |                   |
|-------------------------------|--------|-------------------|
| nominal air flow              | 250    | m <sup>3</sup> /h |
| initial pressure drop         | 250    | Pa                |
| final pressure drop           | 600    | Pa                |
| M.P.P.S. efficiency           | ≥99,95 | %                 |
| classification (EN 1822:2010) | H13    |                   |
