

EDMF-120

Extra-flat bathroom extractor fans with a modern appearance and design

- Architectural integration with the bathroom elements.
- Ultra-silent.
- Extra-flat design with a thickness of just 17 mm.
- High performance thanks to its aerodynamic design.
- Can be easily and quickly installed.

Construction:

- White finish.
- Non-return gate built into all models.
- Made with recyclable materials.

Version:

- BASIC: operates with a light switch or a separate switch.
- TIMER: operates with an adjustable electronic timer.
- LL: Long life ball bearings.
